Glow From Within – The MIREA Facial Rituals

At MIREA, our facial rituals have been thoughtfully designed and carefully developed after extensive research to ensure exceptional quality and care. We believe that a combination of deep cleansing and targeted massage can visibly improve the skin—leaving it clear, revitalized, and naturally radiant—while the calming atmosphere of our salon nurtures your inner peace, so you leave feeling balanced, refreshed, and glowing from within.

We use high-quality skincare products throughout our treatments to ensure your skin receives the best possible care and visible results.

Face Spa treatments

MIREA Face sculpturing

100 KM

Face sculpturing is an intensive manual facial massage that combines lymphatic drainage, muscle stimulation, lifting techniques, and intraoral massage to naturally lift the face, reduce puffiness and tension, improve circulation, and promote deep emotional and physical relaxation—offering a holistic, needle-free alternative to rejuvenation.

Recommended frequency:

Once a week for a series of 5–10 sessions, followed by monthly maintenance.

MIREA Ultrasonic Rejuvenation Facial

100 KM

This facial treatment includes a gentle exfoliation, deep cleansing of the skin using an ultrasonic spatula, followed by a hydrating mask to nourish the skin, and a relaxing face massage to stimulate circulation and promote a healthy glow.
